Funding Options Available

Hearing Services Program & DVA

All Pensioners and DVA clients receive fully subsidised hearing tests under the Hearing Services Program.

Medicare Rebates

Medicare rebates are available for patients referred for a full hearing assessment by their GP.

Patient's referral must state that a full hearing assessment is required.

This includes:

Item 82315 | Air and Bone Conduction audiogram and speech audiometry

Item 83234 | Impedance Audiogram (Tympometry)

Simple Referral Pathway

E referral | Healthlink address (EDI): lionshcl

Email | book@lionshearing.org.au

Call | 1300 847 395

Online or via **QR code**

[https:// www.earscience.org.au/health-professionals/](https://www.earscience.org.au/health-professionals/)

Once your referral has been received, we will triage your patient into the appropriate appointment. The referring GP will be sent the Audiology report following the assessment.

GP guide to hearing healthcare

Research-led transformative hearing care

Thank you for making your patient's hearing care a priority and choosing Lions Hearing Clinic.

Research indicates people are more likely to seek help from their GP, so your role is crucial in detecting hearing loss.

Lions Hearing Clinic is part of Ear Science Institute Australia. Offering patients commission-free premium hearing services and a comprehensive range of hearing devices with fully qualified clinicians.

Hearing, Balance & Tinnitus Services

Adult Hearing Assessment

75-minute appointment | \$150

Comprehensive assessment to diagnose type and severity of hearing loss.

Includes recommendation for rehabilitation and device options. A full report is sent to the referring GP.

Fully subsidised for Pension cardholders. Medicare rebate available for all GP referred Hearing Assessments.

Tinnitus Assessment & Management

1.5-hour appointment | \$180

Individualised sound enrichment program and counselling, with or without the inclusion of Hearing Devices.

Subsidised for Pension cardholders

Ear Wax Micro-suction

30-minute appointment | \$75

Includes ear health check, wax micro-suction and hearing screening.

Hearing Aid Discussions or Adjustments

30-minute appointment | \$60

Complete hearing aid discussion that includes all styles of hearing aids from a variety of manufacturers. Device and fitting schedules are individualised to each client's needs.

Adjustments include optimising hearing aid performances for patients with existing devices.

Subsidies available for Pension cardholders

Please note: costs are a guide only. Please contact us to discuss.
